Since the guild was formed in [February 1998](#), we are celebrating an anniversary this month - the 19th! I was at the first meeting and it seems that time sure flies! We've fostered many friendships and made so many beautiful quilts it's amazing to reflect upon. We've done so much as a guild and touched so many lives with our community service work and our quilt shows that the residents of this county shouldn't forget us. It just goes to show what committed people can accomplish when we all work together for the good of the group and the community. Happy Anniversary Wilkes County Quilters, Inc.! Looking forward to our 20th anniversary!

Keep on Quilting! Jo Scorof

Membership Committee:

If you haven't already paid your \$20. dues please remember to do so at the February meeting. Also, please carefully check the Membership Roster for your name and personal information. If there are changes or corrections, make them on the worksheet roster so that we can get started on the one for 2017.

If you choose to join in the FOLD this month, bring your quarter yard of BABY THEMED FLANNEL. Ellen and Carolyn

Program Committee:

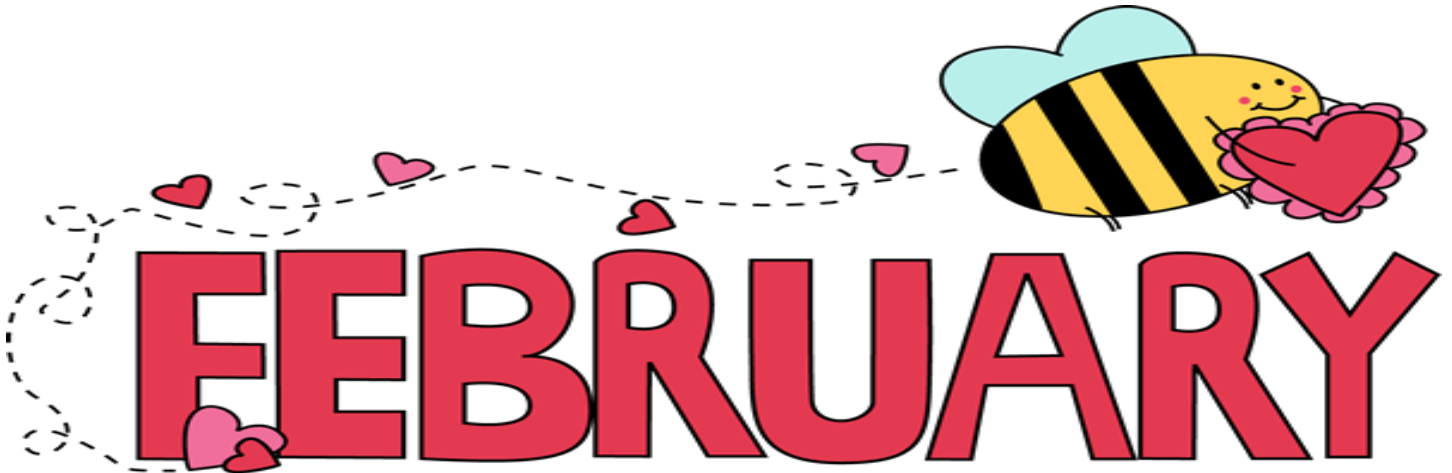

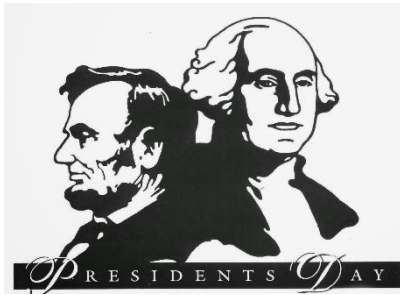

The program for February meetings will be Andrae and Tim DeHaan from Aerie Designs. Andrae is president of the Foothills Quilt Guild. The DeHaan's will present a program on tee shirt quilts – discussing how to prepare the shirts, stabilizing them, and using the proper rulers and cutting tools to prepare shirts for piecing. They will also discuss various ways to add sashing, shadowing, etc., and show some of their completed tee shirt projects.

Thanks, Libby

Quiltmakers Committee:

We will again hold a short meeting after the day meeting. Please bring any patterns or pictures you have found for possible quilt for this year's raffle. Last month we were discussing something with a black background and bright colors. I am anxious to see what everyone has found.

Terri Staley
